

## NNJ 2: CEDAR KNOLLS DATA CENTER

9 WING DRIVE, CEDAR KNOLLS, NJ 07927

Cologix's Cedar Knolls data center is a purpose-built, single tenant facility providing scalable, next generation data center solutions for IT intensive customers worldwide. This state-of-the-art facility features high density colocation capabilities, redundant power and cooling, comprehensive security features and flexible network infrastructure, and supports a broad spectrum of Cloud, Colocation and Managed Services. With flexible power configurations and superior support services, the Cologix Cedar Knolls data center helps customers safeguard critical data while utilizing enterprise level IT solutions. This facility also offers Disaster Recover suites.

### High Density Colocation

Our 20 kW per cabinet solutions breaks the industry standard power cap of 4 kW, allowing you to get more efficient use out of your colocation space. This allows you to consolidate multiple cabinets of older servers into a reduced footprint, freeing existing cabinets for growth or cage consolidation.

### Location, Location, Location

Our data center is strategically located in Cedar Knolls, NJ, a low crime neighborhood 30 miles outside of NYC. Cedar Knolls is situated well above the FEMA 500 year flood plain, and our datacenter remained safe, dry & accessible during all hurricanes and nor'easters, including Superstorm Sandy.
